This rally is held in hopes of fulfilling the aims of Campers for Christ Ministries by:

- (1) Providing a means for Christian Campers to fellowship and to encourage one another.
- (2) Providing opportunities for members to exercise their God given gifts, skills, and talents to bless others.
- (3) Providing recognition of Christians while camping and to encourage a witness to others regarding the love of Jesus Christ.
- (4) Providing a Chaplain Service to each other and to other campers or visitors as requested.

To accomplish these aims we will ask all members to prominently display Campers for Christ crests and logos on their RVs and to wear clothing with logos, especially when we interact with other visitors in the campground. We encourage you to invite others to any of our activities. Make yourself available when someone asks questions about our group or Jesus Christ.
